

**Band Of Brothers**  
**Chapter 528 Plymouth /Canton**

**This is a project for us and about us. I (Bill Boudreau) would like to collect military - Vietnam (In Country) if you have , or a picture of yourself in uniform fatigues - dress , 3x5 is best , it could be pro or just a snap shot , but any size clear picture of you would be great, I will put it on my scanner and size them all pretty close , as in same size, and I will give you back your original photo to you unharmed . Please put : your name , branch of service , Unit at the time of photo , where taken , and rank if you wish . Hopefully we will take a picture of you in the present , dressed how you wish , honor guard uniform , hat and jacket , preferably just not nude.**

**We may even have a Guess the Brother or Sister Back When ?contest as I collect photos.**

**Eventually I would like to make a large “HALL OF FAME” board with everyone’s Now and When photos.**

**START , BRINGING YOUR PHOTOS TO THE MEETINGS ,WITH YOUR INFO SHEET (HOPEFULLY) IN AN ENVELOPE TOGETHER.**
