Plymouth/Canton Chapter # 528

*We have military style **Dog Tags** available, made to order for you*

This machine is available and kept at my house. These tags can be used for identification of your child's school bag, or you can replace your lost set of dog tags from your military service. These tags can also be used for I.D. Tags for your pets. Please use the attached form to request your order. This fund raiser will be an ongoing effort to continue to raise funds for our chapter.

The tags sell for \$5.00 for a single and \$9.00 for a set of two. Add \$2.00 for Postage on all Mail orders. The set must contain the same information. The tag may have up to 5 lines of printing and 16 spaces per line. Each box counts as a character (i.e. space, comma, period, etc.). Use your imagination and be creative. These tags are available in stainless steel (Dull and Bright), or Brass. Also have a few Black tags, but only till current supply runs out... Thank You
